Schedule Download

Schedule the selected download

Date: (mm dd yyyy)

Time: (hh mm)

EBot will download your product on the date and time you specify. Please be sure you are connected to the Internet at that time.

Fig. 19

08-06-2019 17:00

Whenever you download a product through eBot, eBot archives and displays information about the product you've downloaded on your Downloads screen.

* If you've canceled one of your downloads but would like to redownload it now, highlight it in the window and click the "Download" button.

* If you have not yet installed your product, highlight it in the window and then click the "Open/Install" button.

* If you'd like to schedule a product for a later download, highlight it and click the "Schedule" button.

For more Downloads Information, connect Downloads Help.
